NESTING ROOM

NESTING ROOM

In a world of constant motion, stillness offers a peaceful sanctuary.
The Nesting Room draws inspiration from the mesmerizing patterns of the Hypnotic Owl, Reiki Rhea and Cloistered Dove. These ceramic tiles embody the calm and rhythm of nature's most tranquil creatures, creating a sense of nesting, reflection, and renewal. Each tile tells a story of quiet strength, inviting pause and rejuvenation. The repetitive patterns echo nature's cycles, creating a grounding calm that nourishes both body and soul.

The Nesting Room transforms any space into a restorative haven – an environment where reflection and relaxation flourish. Arrive imbalanced, leave restored.

In un mondo in continuo movimento, la quiete diventa un rifugio prezioso. Nesting Room si ispira ai motivi ipnotici di Hypnotic Owl (il gufo dallo sguardo ipnotico), di Reiki Rhea (lo struzzo della pampa che disegna motivi rituali nella sabbia) e di Cloistered Dove (la colomba silenziosa e monastica). Queste lastre in ceramica evocano la calma e il ritmo delle creature più pacifiche della natura, creando un'atmosfera di raccoglimento, riflessione e rinascita. Ogni lastra racconta una storia di forza silenziosa, un invito alla pausa e alla rigenerazione. I motivi ripetitivi richiamano i cicli della natura, diffondendo una quiete profonda che nutre corpo e anima.

Nesting Room trasforma ogni ambiente in un nido rigenerante, uno spazio dove riflessione e relax fioriscono. Si entra in disequilibrio, si riparte in perfetta armonia.

PRODUCT STORY

Cloistered Dove

Deep in the forest, the Cloistered Dove moves with quiet, monastic grace. Its soft coo calms the heartbeats of creatures around it, turning the woodland into a meditative retreat. It lays just one precious egg at a time, nestling it in a cocoon of warm feathers. With uniquely shaped feet, it delivers a rhythmic, grounding massage – part incubation, part sacred ritual.

Nel cuore della foresta, Cloistered Dove si muove con grazia austera e silenziosa. Il suo tubare lieve calma i battiti del cuore delle creature che la circondano e trasforma il bosco in uno spazio di meditazione. Depone un solo, prezioso, uovo alla volta e lo avvolge in un bozzolo di piume calde per accarezzarlo con le sue zampe dalla forma singolare. Un massaggio ritmico, profondo, insieme gesto d'incubazione e rituale sacro.

PRODUCT STORY

Reiki Rhea

In the Pampas, the Reiki Rhea captivates with its towering and graceful nest. Yet its ability to create intricate patterns in the sand that makes it legendary. Every morning, it uses its powerful legs to etch symmetrical designs in the earth, lost in the rhythmic flow of its art. These stunning patterns are the bird's silent connection to the land, a meditation that leaves a unique signature wherever it roams.

Nelle Pampas, il nido imponente e aggraziato di Reiki Rhea incanta lo sguardo di chiunque lo scorga. Leggendaria è la sua capacità di tracciare complessi segni nella sabbia. Ogni mattina si lascia trasportare dal flusso ritmico della sua arte e con le potenti zampe incide motivi simmetrici sul terreno. Questi splendidi disegni rappresentano il legame silenzioso dell'uccello con la terra, una pratica meditativa che lascia un'impronta indelebile nei luoghi dove si aggira.

Hypnotic Owl

In a moonlit forest the Hypnotic owl lived in silence, its dark feathers blending with the night. But it was its eyes – glowing like twin moons – that set it apart. With a gaze so captivating, it could draw creatures into a trance. Revered as a guardian of the night, the owl's hypnotic stare both enchanted and wanted, leaving those who dared to look lost in a dream-like gaze.

In una foresta rischiarata dalla luna viveva in silenzio Hypnotic Owl, le piume scure fuse con la notte. Ma erano i suoi occhi – luminosi come lune gemelle – a renderlo unico. Il suo sguardo magnetico ipnotizzava ogni creatura. Venerato come guardiano della notte, incantava chiunque osasse incrociare il suo sguardo, trascinandolo in una dimensione onirica.

SANDY

A refined, sand-like texture inspired by natural landscapes. This palette draws from white, red, and black sand beaches, expressed through complementary tones like Hay, Powder, and Concrete: earthy, grounded, and quietly radiant.

Una texture raffinata, simile alla sabbia, ispirata ai paesaggi naturali. Questa palette nasce dalle spiagge di sabbia bianca, rossa e nera, tradotte in toni complementari come Hay, Powder e Concrete: terrosi, concreti, silenziosamente radiosi.

EGG SCAPE

A surface inspired by the organic beauty of eggshells—marked with delicate scuffs, subtle cracks, and terrazzo-like fragments. Each tile captures a minimalist texture rooted in nature's quiet imperfections.

Una superficie che celebra la bellezza organica dei gusci d'uovo, segnata da delicati graffi, sottili crepe e frammenti che evocano il terrazzo veneziano. Ogni piastrella racchiude una trama essenziale e minimalista, radicata nelle imperfezioni silenziose della natura.

DECOR LIBRARY

Tactile surfaces that play with light and shadow to enrich spatial depth. With versatile sizing and application, from kitchens to bedrooms, their relief-style patterns add quiet movement and dimensional warmth to walls and floors. Designed to be both seen and felt.

3D surfaces are a veritable breakthrough in design, thanks to the use of 3DTECH technology that enables the creation of highly realistic visually striking three-dimensional textures. Surfaces are enhanced with visual and tactile depth, transforming them into distinctive elements for any space, be it residential or commercial.

Superfici materiche che giocano con luci e ombre, amplificando la profondità degli spazi. Grazie ai loro formati versatili e alle molteplici possibilità di applicazione, dalla cucina alla camera da letto, i motivi in rilievo aggiungono movimento e calore a pareti e pavimenti. Creati per essere visti e toccati.

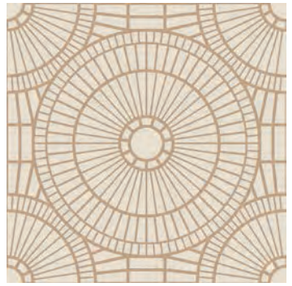

Le superfici 3D rappresentano un'innovazione nel mondo del design grazie all'uso della tecnologia 3DTECH, che permette di creare texture tridimensionali altamente realistiche e di grande impatto estetico e consente di arricchire le superfici con profondità visiva e tattile, trasformandole in elementi distintivi per qualsiasi ambiente, sia residenziale che commerciale.
